

Dear Parents / Carers,

17th October 2018

Wow I can't believe how quickly this half term has gone! I'd just like to say a really big thank you to all the staff for their hard work this half term.

Thank you very much to everyone who wore pink to school today to raise money for the Wear it Pink campaign for the Breast Cancer Now charity. The total raised is £118.66 which is amazing.

Governors have been into classes over the last couple of weeks to meet the children and their class teachers as part of their monitoring. They have all been extremely impressed by the children's work, they have done so much in a short space of time and they are all working really hard. This has been backed up by the time I have spent in classrooms and looking at books—well done everyone!

If you did not receive the text notification yesterday, we have moved the date of parent/carer sessions to Wednesday 31st October from 1-5pm. Mrs Wheeler will be holding parent/carer sessions for Ash class on Tuesday 30th October. If you have not signed up yet, please make sure you do so on the first day back as this is your first opportunity to meet with teachers. Remember if your child is in year 5 and 6 and isn't accompanied by an adult to and from school, contact the office and they can make an appointment for you.

Have a lovely extended half term! Remember the clocks change on Sunday 28th October at 2:00am and the evenings will start drawing in, so please make sure children are safe as the nights will be getting darker.

See you on Monday 29th October when gates open at 8:35am.

Mrs Gilbert.

Flu vaccinations: For those of who have signed YES on your child's flu vaccination form, please be aware you will be required to stay with your child for the duration of the vaccination. The date has been arranged for **Tuesday 30th October from 3pm onwards.**

On Tuesday 30th October the school photographer is coming in to take photos of all the children. If you would like to include any siblings **(that don't currently attend our school)** in a photo please go straight to the school hall when the gate opens. All other photos - individual and group - will be taken later on in the school day.

We have uploaded a fantastic resource to the school website under the 'Links' tab. It is an eBook about e-safety and follows the story of Oscar in the online world. It will appeal to all ages so please make sure you have a good look at it with your child over the half term!
