News from Brading CE Primary School

Headteacher: Mrs B Gilbert

Office Administrators: Ms Barnard, Mr Campbell

Friday 12th January 2024

Our Christian Values: Trust

Truth, Respect, Unity, Sincerity, Tolerance

This week our focus has been on all of our values

Dear Parents/Carers

This week we are very pleased to welcome Mr Campbell who will be working with Ms Barnard in the office as our Assistant School Business Manager.

I would like to remind everyone regarding attendance. The beginning of the school days for Jamaica, Iceland, Malta and Galapagos starts at 8.20am. If children arrive in these classes after 8.30am they will get a late mark. For St Lucia, Maldives and New Zealand start time is 8.25am. If the children in these classes arrive after 8.35am they will get a late mark.

For Cuba and Hawaii classes please see the individual emails that have been sent to parents/carers and obviously Antigua being our pre-school times vary depending on the sessions booked by parents/carers. As we have 10 classes with lots of children all starting at different times it is important that we work together as a TEAM that TRUST each other and keep to your expected times.

Have a lovely weekend and remember my door is always open.

Mrs Gilbert.

Collective Worship this week...

This week Mr Barnes talked about his week we have continued with our theme of Peace and we enjoyed 2 Collective Worships over the Internet from vicars on the mainland. We also thought about Epiphany and Mrs Atwell talked about using an emoji as a form of communication. We have been remembering what our TRUST words means too for us in school.

Bible reflection

"Let the morning bring me word of your un-failing love, for I have put my trust in you. Show me the way I should go, for to you I entrust my life" Ps. 143:8 NIV

KEY EVENTS NEXT WEEK!

Diary Dates

Taster Menu

Thursday 18th January 2024

Sausage Pasta Bake

Remember that all children in Foundation Stage and Key Stage 1 are entitled to a Universal Free School Meal, we would like to encourage all children in Reception, year 1 and year 2 to at least try a school dinner. There are lots of tasty options available, on Thursday next week we have a yummy sausage pasta bake, and cook will offer taster pots to those children who bring in their packed lunch from home.

Polite Reminder: Car Parking.

Please can we remind you not to park adjacent to the school, on double yellow lines or blocking our parents/carers. Please allow more time to get your child to school on time. Doors open at 8.20am for KS2 children and 8.25am for KS1 children. If your child is late, please sign them in at the school office so we can accurately record their arrival time. We must all do all that we can to keep everyone safe.

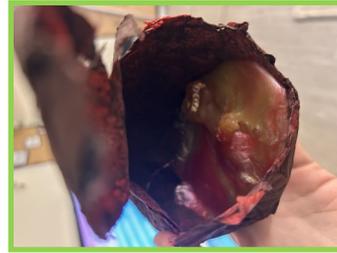

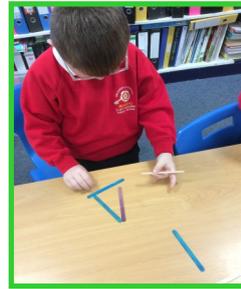

Thank you!

What we have been learning this week...

ANTIGUA	This week in Antigua class we have continued to explore the theme “winter” and what a treat it was to experience the snow on Monday. We explored a range of arctic animals in our snowy tough trays, had fun making snowy prints using cutters and cotton buds as well as explored dinosaurs stuck in the snow. Alongside our topic we have worked on our fine motor skills using scissors and also threading pasta onto spaghetti. Another super fun week in Antigua!
ST LUCIA	This week in St Lucia, we have been continuing our topic of what’s that roar! Our second week on dinosaurs and our dinosaur egg hatched! We are so excited to watch it grow, and we are looking after it before the mummy comes back and collects it! We have also been exploring the cold weather and left some bowls outside overnight which we are hoping will freeze!
MALDIVES	Year 1 has been busy working on 3D and 2D shapes in maths. In English, we wrote diary entries all about Katie Morag delivering the mail to the wrong people. In PE, we are learning to dance to 'The Lion King.' In computing, we are grouping and sorting and in phonics we are consolidating phase four. Following recent Little Wandle assessments, all the children have changed their phase and set for reading which is fantastic news. Well done everybody!
NEW ZEALAND	This week in New Zealand class, we finished our narrative writing inspired by 'The Lion Inside'. In Maths, we continued with money, with pupils confidently navigating through the realms of pence and pounds, enhancing their understanding of real-world transactions. In the realm of science, our curious minds embarked on a journey exploring life cycles within the context of 'Animals Including Humans'. Additionally, we delved into history, exploring what makes a person significant before we look at nurses from the past.
MALTA	This week in Malta class we have been looking at multiplication and division in Maths. The children have been grouping and sharing to solve a range of sums and have learnt to exchange numbers. On Tuesday, the children completed a practical experiment in science. The children tested the permeability and durability of rocks and recorded the results in their books. On Thursday, the children published a CV which they wrote to apply for the job of an archaeologist.
GALAPAGOS	This week year 4 has had a very exciting time! For our topic, crime and punishment, the children were taken on a journey to Carisbrooke Castle where they learned all about King Charles I imprisonment, his treatment compared to other prisoners and about life at the castle in general. We even met a couple of the donkeys who help to retrieve water from the old well. Although a very cold day, the weather stayed on our side, and we all had an amazing time
ICELAND	We made paper aeroplanes with the RAF Science Day. We used paper straws, blutak, paper, glue and masking tape. The we tested them in the hall to see what went the furthest. In maths we did long multiplication. In English we are writing a diary. By Theo
JAMAICA	This week in Year 6 we have been doing variety of activities, In English we have been doing a diary entry. On the story of maths we have been doing Algebra with letters. In science we have been learning about evolution. In guided reading we have practiced our SATs and been answering questions on this. In history we have been learning about the Maya civilization. On Wednesday we had a STEM workshop and we built gliders and designed sustainable aircraft. We also continued with our Gods eye. In Collective Worship we did peace.
CUBA	This week in Cuba Class we been doing lots of exciting activities. Our favourite part of the week was exploring the snow and seeing real life snow to make our topic of winter even more exciting. We have also been learning about transport, we listened to different vehicle sounds and managed to decide together which vehicle was making each sound. Finally, we have been practicing our turn taking skills and have been sharing games on the interactive whiteboard.
HAWAII	This week in Hawaii Class, the children have been making maps to create different patterns for Bee Bots to follow. They have also been working with clay to make patterned tiles. The class used a variety of tools to shape their tiles before adding their pattern. In English, the children have been creating sentences using different forms of transport.

This week in pictures...

News Flash...

Mrs Rackett will be holding a Year 4 Maths session on 22nd January 2:20-2:40. It will provide information about the Year 4 Multiplication Check that all pupils are required to undertake in June. We hope to see you then!

YEAR 5 & 6 SCIENCE WORKSHOP

Yesterday, we was in a scientific experiment. We made paper aeroplanes out of coloured card, a straw, blutak and masking tape. We took the wrapper off the straw, we then put the straw on our hands and pushed them together then we balanced it on our hand and got the wing, we then put the wing a little behind our hand and stuck it with masking tape and stuck it down. The we put blutak to represent the front glass of the aeroplane. We then made the back of the plane , then we stuck, then we coloured it in. WE went to the hall to test them. By Marllie.

Please remember we are a nut free school

Please check that you only provide nut free snacks for break and lunch times. We do have a number of children with a nut allergy and we need your help to make sure we keep everyone safe. Our no nut policy includes spreads such as Nutella and snack bars such as Krave. Thank you for supporting us with this we do appreciate your help.

From the Isle of Wight NHS Trust

Last chance to get Children's COVID-19 Vaccination Appointments this Winter – Children's Outpatient Department, North Hospital

We are offering the following Children's COVID Vaccination Clinics for Ages 5-11, Ages 12-15 and Ages 16-17 in the Children's Outpatients Department, North Hospital, St Mary's (NOT the Hospital Vaccine Hub). Accessible parking is available in the North Car Park.
