

Dear Parents / Carers,

18th May 2018

Wow, the year 6 pupils have been phenomenal this week during their SATS. They all worked their hardest and were focused the whole way through. To finish off their week they are at Amazon World today. A really big thank you to all staff involved, from teaching the children, to helping support throughout the week as well as maintaining the security of the papers which is all part of the process. I would also like to thank our school governors Mrs Redfern, Mrs Wood and Mr Piggott for coming in to make sure the process ran extremely well. Finally, thank you to the rest of the school for altering their week to accommodate the tests. We will have to wait until July for the children's results. I think everyone will sleep really well this weekend!

Also this week, Van Gogh class have undertaken road safety with the IW Fire and Safety service. They learnt lots of valuable lessons about safely crossing the road and walking roadside. Matisse class enjoyed some exotic fruit tasting to tie in with their Rainforest topic, and children in years 1 and 3 created some lovely bunting to celebrate the Royal wedding.

Everyone is looking forward to tonight's disco! Tickets can still be purchased tonight on the door for £2.00. Parents/carers are required to stay with children who are in Pre-school, Foundation Stage and Key Stage 1. All children in Key Stage 2 can stay at the disco without an adult **but they must be signed out and collected by an adult at the end of the evening**. Thank you to the Friends of Brading for their hard work in organising the disco and their support.

Next week is our last week before half term. We will be supporting Mental Health Awareness Week where every class will be focusing on happiness and what makes them happy. Also Monet class will be walking to St Mary's church as part of their RE curriculum looking at 'sacred places'.

Finally, I would just like to remind you that we are a Healthy School and request that you please do not send in chocolate, sweets or fizzy drinks in your child's lunchbox. Also, please do not put any food in your child's lunchbox that contain nuts as we have children and staff in school with allergies.

Enjoy the weekend and the royal wedding! If you are celebrating have a great time.

Remember my door is always open.

Mrs Gilbert.

Remember we have a breakfast club at school every weekday morning, starting at 8am. It is £2 per session, and children are provided with toast or cereal and a drink. There is no need to pre-book, just turn up and sign your child in.

KS2 have many exciting trips planned for this term. Unfortunately if we do not receive sufficient financial support, these trips will not be able to go ahead – they are already hugely subsidised. Please can all outstanding money be paid by the due date specified in the original letters.

If your child is in KS2 and you have not seen any trip letters, please ask Miss Hughes for another copy.
