

Dear Parents / Carers,

22nd June 2018

I can't believe there are only 4 school weeks left until the summer holidays, time is going really quickly and we're getting very busy now.

This week I have met with the parents/carers of children who are starting with us in September in Foundation Stage. I have really enjoyed getting to know our new families and their fabulous children who will be joining the Brading team.

Next week the children in Key Stage 2 will be competing in the Baylink Olympics – I wish them all the best of luck in their chosen events. Following on from this, we have 2 full days of transition. Year 6 children will spend time in their prospective secondary schools while the rest of the school will spend the two days with their new class teacher – information of the class structures will be coming home with your children on Wednesday.

The end of year reports for Miss Bailey's class will be going home on Monday. If you have any concerns about your child's report, Miss Bailey will be holding a drop in session on Thursday 28th June from 8:30am – 11:30am to discuss this with you, please sign up for an appointment on Monday morning, the sheet will be outside Picasso classroom. The rest of the schools reports will be coming home on Friday 6th July and days/times for parent's sessions will follow.

Finally, just to remind you that clubs are now finished for the academic year.

Have a great weekend; remember my door is always open.

Mrs Gilbert.

From September, we are reducing the amount of paper we are using within school and sending the newsletter home via email. If you currently receive a paper copy of the newsletter, and you are happy for us to email it to you, please fill out your email address below and hand back to the office. As an alternative, a copy of the newsletter is always uploaded to the website every Friday.

Can we please ask that all children's PE kits are brought in on a Monday and taken home on a Friday so kit is available as and when needed. Now that the weather is so nice the children will be outside as much as possible, as well as all the various sporting events coming up.

If your child borrows a PE Kit and wears it home, can you please ensure that you return this as soon as possible as we are running very low on spare kit.

If you have any tops, shorts / tracksuit bottoms or trainers at home that your children no longer wear / need, we would very much appreciate any donations for our spare kit. Thank you.

Also, we still have cases of chicken pox filtering through school, the recommendations are that children remain off school for 5 days from the onset of the rash and until the last spot has healed over.
