

Dear Parents / Carers,

24th January 2020

This week the children in Key Stage 2 worked with author Billy Bob Buttons, who spoke to the children about his work and gave them some top-tips for writing stories of their own. The children were completely enthralled and he greatly inspired them. Thank you to Mrs Wheeler for organising this session. If your child was unable to purchase a book on the day, we have order forms in school or you can purchase them online. Key Stage 1 will be having an author session with Island author Jules Marriner on 12th March!

As I type, Maldives class are enjoying their first session of golf at Westridge Golf Club. We ran these sessions for Key Stage 2 in the last academic year and it was so successful we decided to give Key Stage 1 a turn. Once again thank you to Mrs Powell for organising this.

Health and safety –

1. Can I please ask you that as a team that trust each other that we need to be safe at all times. To help with this, please can everyone wait for Miss Hughes to open both gates in the morning and walk into school sensibly. All children at all times before and after school should be supervised by an adult. If your child is in year 5 or 6 and walks to and from school unaccompanied please can you remind them about being safe and sensible.
2. Can you please be considerate of other users of West Street, as we are having reports of others being blocked in at the Town Hall or parking by the Brading Centre. On Tuesdays and Thursdays there is a parking space allocated for the Post Office Manager which is coned off. Can I respectfully ask that on these days you avoid parking there in order to support the Brading Centre and the Post Office? Remember that the Wheatsheaf Pub kindly offer the school parking at drop off and pick up times, you just need to ask at the office for a permit. Thank you for your continued support.

Finally we are all pleased to announce that Miss Hughes is pregnant alongside Mrs Skelley, so we now have two Brading babies due this Summer!

Remember my door is always open.

Mrs Gilbert.

Message to Year 6 Parents:

The University of Essex is conducting a study on the National Child Measurement Programme (NCMP) feedback letters on year 6 students. If you would like to support them in taking part, please see Miss Hughes for more information.

PERMANENT CHANGES TO THE SPRING MENU

As the chicken and rice meal was not popular with the children, we have decided to now serve lasagne instead.
You will also see below that the day for sausage rolls has changed to Thursday's instead of Tuesday's.

20th January 2020

What's going on this week?

Facebook has announced a new policy banning all artificial intelligence (AI) created videos that are likely to mislead viewers into thinking someone said words that they didn't actually say. The new policy will mean that all videos that have been edited in ways that are likely to mislead someone into thinking that a person in a video said words that they didn't really say, or, if people or objects are placed onto a video, making them appear to be real, will be removed from both Facebook and Instagram (which is owned by Facebook).

Things to talk about at home...

- 🐼 Do you think there are some websites you can trust more than others (e.g. news websites or social media platforms)?
- 🐼 Do you think Facebook have made the right decision to remove videos that they know are fake?
- 🐼 Do you think it will be difficult to tell if the videos are real or fake?

Please note any interesting thoughts or comments here...
