

Dear Parents/Carers

5th November 2021

Welcome back, I hope you all had a lovely 2 week break. The weather has certainly changed since before the half term and it is definitely starting to feel chillier. Please make sure that your child has a coat to wear outside to keep them warm. Children can bring in hats and gloves as long as they fit in their coat pockets.

A big thank you to all the parents and carers that attended our School Cloud sessions this term. I have spoken to all staff and have had an update on all the areas that were discussed. If you didn't manage to book a session or were unable to attend the booking you made, your child's class teacher will be contacting you by telephone to check in and give you an update over the phone.

Can I please give a reminder to everyone in regards to acceptable behaviour. Our motto at Brading is 'We are a TEAM that TRUST each other', and for me this is everything that we stand for. My expectation as a headteacher is that all times everyone should be treating each other appropriately and considerately, especially as we are a church school and our church values are Truthful, Respectful, Unity, Sincerity and Tolerance. The Governing Board and I expect that as adults we should be exemplary role models for the children. I have a duty of care to protect everyone – children, parents and staff – and I am sure that moving forward we can treat each other the way we would want to be treated ourselves. Staff have been made aware that if any adult speaks or behaves towards them inappropriately, they will make the person aware and if it continues following the warning, they will either stop the telephone conversation or meeting and immediately inform either myself or Mr Barnes.

Curriculum update

All classes have started their new topics. Each classes new.... Is on the website for you to look at. Each topic has a hook to introduce the topic and an outcome which the children work towards. Please find below the list of topic names, hooks and outcomes for each class this half term:

Class	Hook	Outcome
Maldives	Coconuts shells, sea shells and white sand in classroom	Toy museum of toys made from different materials – parents' session, presenting what they have learnt and listening to others.
New Zealand	Find a pirate treasure map and follow directions to find a treasure chest	Pirate themed day
Malta	Making our own water cycle model	Poetry Workshop (sharing poetry with parents)
Galapagos	Be an archaeologist for an afternoon	Volcano eruption
Iceland	From source to sea river videos	Art gallery
Jamaica	Virtual Tour of Russia	Virtual Tour of Russia

Children in Need

For Children in Need next Friday, we will be having a mufti day so children can where their own clothes into school (please make sure these are appropriate for the weather). Donations will be available to make via the SchoolMoney app, but each class will also be filling up a Pudsey Bear with coins, so you can provide coins as well.

Christmas activities

We are planning on having a Christmas Fayre on Friday 17th December, an EYFS nativity and Key Stage 1 Production on Wednesday 15th December **COVID permitting**. We will keep you updated nearer the time on how these will go ahead. Our aim is that you will be able to come in person but this is dependent on Covid and the guidelines at the time.

Finally, just so you are aware, the Queen's Platinum Jubilee means an additional date has been added to the Christmas Holidays. This means we will now finish on **Tuesday 21st December, not Wednesday 22nd December as originally stated**. This is across the Island which the Local Authority have decided on.

Have a lovely weekend, enjoy yourselves if you are out celebrating bonfire night and please remember to keep safe.

Mrs Gilbert.

This week we started a new topic called 'from Russia with love'. We watched a video and a power point about places in Russia and other information. The other information was about traditional Russian food, religion and how the Russian school system is similar to other developed nations. On the day we started our new topic we had to make a fact file about Russia. The information included traditional food, the flag, popular sports, famous etc.) and a picture of a famous landmark.

English Heritage School Design Challenge Autumn 2021

We were asked to create a tribute to Warrior the War Horse to be displayed at Carisbrooke Castle over the Remembrance period. Breakfast club and Jamaica class have worked together to create a purple wreath made out of pompoms, rags, felt and hessian. They have also written an acrostic poem titled WARRIOR which will be displayed in the chapel.

BE BRIGHT & BE SEEN this winter

Now that the clocks have gone back and it's getting darker earlier on, it's more important than ever to make sure you can be seen when you're out and about near roads.

There are loads of ways to be seen and stay safer
- so check over the page for some top tips!

5 top tips on how to BE BRIGHT & BE SEEN

- 1 Brightly coloured or fluorescent clothing shows up well in daylight and at dusk when you're heading to and from school.
- 2 If you're out and about when it's dark, wear reflective gear to make sure you can be seen in car headlights. Reflective vests, sashes or wristbands work well. Remember, fluorescent clothing doesn't work after dark!
- 3 Don't forget to accessorise! Even small items such as clip-on reflectors, armbands and stickers on your outfit or school bag are a great way to improve your visibility.
- 4 If you like to cycle, remember that it's the law to have clean and working lights at night (white at the front, red at the back), as well as a rear reflector. It's good to fit spoke reflectors too.
- 5 Of course, 'Being Bright' isn't the only way to stay safer. If you're out at night, choose routes and crossing places that are well lit and remember to always use the Green Cross Code.
