

# WEEKLY NEWSLETTER

Wednesday 19<sup>th</sup> October 2022

Dear Parents/Carers

What a great week to end a fabulous first term. I'd just like to say a massive well done to the children for their amazing performances at the Harvest Festival, they were absolutely out of this world and I am very proud of them all. Thank you those of you who came along and supported the children and your kind donations to the IW Food Bank. After the half term the children will start their preparations for our Christmas production of 'Christmas around the World'. Please see times and dates in the diary.

## Curriculum outcome sessions

It was a great turn out for the curriculum outcome sessions on Monday and Tuesday across the whole school. These sessions will happen every half term so you can join your children in class and see what their outcomes are for their topics. A big thank you to the teachers and well done to the children for their hard work this half term.

## Christmas cards

Each child has designed a Christmas card which is available for you to purchase and hand out to friends and family over Christmas –thank you to Mrs Cooney for getting this organised. Attached to the newsletter is more information from Mrs Cooney regarding payment and when orders need to be returned.

## Parent / carer sessions

Remember on Wednesday 2<sup>nd</sup> November we are holding parent/carers sessions face to face in school with appointments available between 2:30 – 6pm. If you haven't already done so, please sign up on the first day back as it's a great opportunity to meet with your child's class teacher to see how they have settled into their new year groups, what they are achieving and how you can support them at home.

## Flu immunisations

Flu immunisations for every child in Reception upwards in school on Wednesday 2<sup>nd</sup> November. These will take place during the school day. Whether you would like your child to have the immunisation or not, **you do need to follow the link to confirm either way, which was emailed to you with the newsletter on Friday 17<sup>th</sup> October.** The deadline to do this is **Friday 28<sup>th</sup> October.**

## Parking

Yesterday we had a visit from the parking enforcement officer. They have explained that even though it is our property we need to leave enough space for emergency vehicles to gain access to the premises at any time. Therefore after half term we will only have 3 blue badge spaces. I am so sorry but if these spaces are full unfortunately we are unable to provide any additional spaces.

**Anyone who uses a blue badge, please can you bring it into the office after half term. This is so we can verify them in case we have a visit from the parking enforcement officer again.**

Finally, I would like to thank everyone for all their hard work and support this half term; staff, governors, children and yourselves as parents/carers. I hope everyone has a great half term break, see you on Monday 31<sup>st</sup> October.

Mrs Gilbert.

We look forward to meeting you!

## IQ CARDS – CHRISTMAS FUNDRAISER 2022

Dear Parents & Guardians

This term we are delighted to be participating in the Christmas fundraiser with IQ Cards. The funds that we raise through your purchases will be used to benefit the school.

Your child has brought home with them the amazing design they have created. IQ Cards print this design onto high quality Stationery including Greeting Cards, Postcards, Gift Wrap &, Sticky Gift Labels. Also, some fun and affordable gifts: Chocolate Bars, Notebooks, Fridge Magnets & Keyrings (for visuals / product info simply scan the QR code on the form.)

Your child's name and design will be printed onto all the products for that personal touch!

On the reverse of their design please can you fill in the order form - check your child's name is spelt exactly how you would like it printed onto the products & clearly fill in the quantity of each product that you would like to order.

Your payment must be made to the school / nursery with the order as per the instructions on the sheet.

All order forms with payment must be returned by Friday 4-11-22

The quality and price of these products is fantastic and they are perfect to give to friends and family, please support the school by ordering.

Any queries please contact Mrs. Cooney

Dear Resident,

**IMPORTANT INFORMATION: ADVANCE NOTICE OF WORKS**

**WightFibre** would like to advise you that, as part of the project to deliver full-fibre, ultrafast, future-proof broadband across the Isle of Wight, works comprising **excavation of foot and/or carriageway for the installation of fibre optic cabling plus re-instatement will take place as follows:**

**Address:** West Street, Brading  
**Works Location:** Whole of West Street  
**Start/End Date:** 17/11/2022 – 12/12/2022  
**Traffic Management:** Road Closure

These works will be carried out in strict accordance with the **New Roads & Street Works Act 1991** and pedestrian access to all residential and commercial properties is a priority. In order to facilitate this there may be a requirement to put in place a number of fully signed pedestrian diversions and/or traffic lights. Works are planned to take place between 08:00 and 18:00 hours unless otherwise specified, and subject to change.

**WightFibre** would like to assure you that we will work with our civil engineering contractors, Island Roads and the Isle of Wight Council to keep disruption to the minimum and although the duration is as stated we will endeavour to complete the works as quickly as possible. We are building a new full-fibre, ultrafast and future-proof broadband network across the Isle of Wight which will make the Island one of the best connected places in the world. We are grateful for your understanding as we work to bring the project to fruition. We have prepared a list of Frequently Asked Questions on the back of this letter to help answer some questions without the need to contact us.

If you have any queries regarding these works, you can find more information on **WightFibre** and its Gigabit Island project at: <https://www.wightfibre.com/expanding-our-network/>, or call our Gigabit Island Call Centre on 01983 241000.

We apologise for any inconvenience which may be caused by these works and would like to thank you in advance for your patience and support whilst we build the UK's first Gigabit Island.

Yours faithfully,

David Beckett
